INDIA VOICE SERVICE

Tata Communications acts as a gateway to the Indian market, with regulatory-compliant services. Now, with a UL VNO license we can offer a full suite of cloud communications services to domestic and international customers, enabling us to offer domestic calling services with the same quality and flexibility our customers have come to expect internationally.

It's all part of Tata Communications comprehensive UC portfolio that enables seamless collaboration and communication on a global scale, along with India.

THE COMPLEXITY QUESTION FOR ENTERPRISES

Migration from legacy infrastructure to a single, cloud-based platform

Optimising costs

Managing fragmented services from multiple providers
